

QUADRIGA

SC 116 A 2 C

Registered in:  Germany;  France

YIELDS

COUNTRY	France
Récolte 2013 & 2014	104.3%* treated protocol / 104.5%* Untreated protocol

*= Official trials in these countries these years

Breeder Comment:

QUADRIGA is a late 6 rows winter barley for feed. It has a good resistance to lodging and winterhardiness. It has an excellent yielding.

QUADRIGA has a good grain quality with a good specific weight and a good grading.

Breeder:

SECOBRA
